

House rules

Use of the apartments

We rent our apartments to private individuals, tourists, companies and business travelers. A commercial use of the apartments is forbidden. Stag and hen parties are not permitted. In the event of a violation, your stay in the apartment ends with immediate effect. In any of these cases, the full rental price has to be paid.

Internet

Inside of our information folder you will find the WiFi access data. You will get access to the internet by accepting our terms of use on the captive portal.

Smoking

Our apartment is a non-smoking apartment. This applies also for e-cigarettes. Smoking is only permitted outside. In the event of non-compliance, we will have to charge the costs for a special cleaning of 250 €.

Due diligence requirements

When going out of the apartment, please leave the windows at least in a tilted position or closed. In case of a thunderstorm, please lower the shutters on the west side of the house (Premium and Komfort Apartment). During winter time, we ask you to keep the window entirely open for a couple of minutes and then completely close it.

Bathroom and toilet

Please open the window entirely after bathing or showering to ventilate the room. Do not throw any hygiene products, waste or leftover food into the toilet as there is a risk of clogged pipes.

Night hours

We ask you to observe the night hours from 10 pm to 6 am.

Visitors

Please inform us in advance about any potential visitors.

Location

On the west side of our house (Premium and Komfort Apartment), there is a small lane where also cars drive along. Do not let your children go out into the garden alone or make them aware of this situation.

Pets

Pets are not allowed in our apartments.
